

RELEASE NOTES

Version:

iOS App V4.6

Date:

19/12/2019

New Features

This document gives an overview of the new features available in the Centrik iOS App V4.6, including:

- **Voice Input/Dictation** - the ability to fill in safety reports, forms, audits, and other key pages within the app using speech-to-text features.
- Support for the **Apple Books** (.ibooks) document format.

Voice Input/Dictation

Centrik now provides enhanced speech-to-text dictation features, enabling users to quickly fill in information without even needing to bring up the keyboard.

Simply tap the microphone icon to begin dictating. When done tap the microphone icon again or say “stop recording”.

Support for the Apple Books (.ibooks) Document Format

The Centrik App now supports viewing Apple Books documents. An .ibooks document uploaded to Centrik's Documents module may be accessed via the Centrik App and viewed using the Apple Books App. Browse to the document in Centrik as normal, tap to open it, and then tap 'Copy to Books'.

* Note: Apple Books must be installed on the device to take advantage of this feature.
